Dear Parents,

Cycling Workshop Day

We are grateful to a parent volunteer, Livia Stacey, who is coming into school for a day to lead classroom and practical activities on road safety for Year 6 on Wednesday 17th July. The classroom sessions will be applicable for all children as they will focus on road safety as both a pedestrian and as a cyclist. The afternoon sessions are practical sessions on bike maintenance for example, replacing chains, dealing with punctures etc so if your child is likely to travel to school by bike it would be very useful for them to learn more. During all of these sessions, school staff will be on hand to support both Livia and the children. If your child plans to cycle to school they are welcome to bring their bike into school for the afternoon session.

At the end of the afternoon, around half two, we are opening up the session to parents, so you can come and talk about bike routes to the various schools, safety considerations for you and your child and have an opportunity to talk to an experienced Basingstoke cyclist about moving around our town. Please let us know if you are interested in attending this so we can plan for numbers.

Please complete and return the attached form to give permission for your child to take part in the activity by **Friday 28th June 2024**.

Yours sincerely

Mrs. S. Mathlin
