

Invitation to Your Child's Exhibition at the Willis Museum

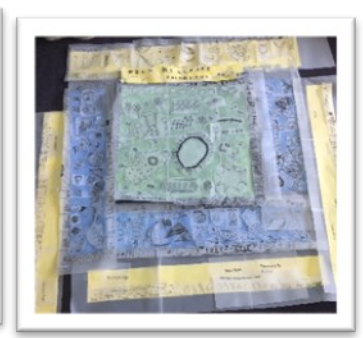

Dear Parents and Carers of Year 4 children ,

Your child has been involved in a project designed to connect art, history and geography and bring them alive through hands-on experiences. They began by visiting an Iron Age Hill Fort near the school buildings and researched the past through their own observations of the Hill Fort and of objects loaned to us from the Hampshire Cultural Trust archive.

Their voyage of discovery has been condensed into a collaborative artwork that will be on display at the Willis Museum Basingstoke from **Saturday 8th June to 21st July**. We hope you and your child will be able to see it.
